

Clover Avenue Booster Club

Welcome to Clover Avenue Elementary! As a Clover parent, you are now a member of the Clover Avenue Booster Club!

Who We Are

The Clover Avenue School Booster Club is the parent volunteer organization dedicated to raising critically needed funds to enrich our children's learning environment at all grade levels.

What We Believe

Clover Avenue School Booster Club sets fundraising goals based on the following beliefs:

- Music, art, and physical education are critical parts of our children's education.
- Our library, computer lab, and computer instruction are essential resources for our children's academic future.
- Every classroom benefits from a teacher's aide.
- Teachers should not have to pay for classroom supplies from their own pockets.
- Field trips are important educational events.
- Celebrations such as Halloween Hurrah and International Night are an important part of our community.
- Extras such as Science Nights, a robotics program, the Garden Club, and the Run Club make school fun and interesting for students with a wide range of interests.
- Our children's school should be a beautiful and safe place.

What We Do

The Clover Avenue Booster Club not only raises money to provide the resources and activities above, but by raising consistent levels of money, it ensures continuity of programs from year to year (programs that, even if district funding could be found, would be in danger of losing that funding each year). In close consultation with the principal, teachers, and staff, the Booster Club funds everything from the computer lab to copy machine maintenance. Even items that seem essential to a school's function, like copy paper, are provided by Clover parents: your volunteer work and donations are critical to Clover's day-to-day success.

How You Can Help

- Attend monthly Booster meetings,
- Fill out our parent volunteer form and let us know how you can help
<https://cloveravebooster.org/volunteer> ,
- Donate at <https://cloveravebooster.org/> ,
- Share your ideas for how to keep Clover Avenue a fun place for students to learn:

Clover Avenue Booster Club

Pledge For Education is our most important fundraiser. In order to continue providing our children with a stellar, well-rounded education, we need donations from EVERY Clover family. We ask **each family to donate \$750 per student** (you may break that donation into **10 payments of \$75**).

Isn't Clover Avenue a public school, supported by tax-payer dollars? Yes! But, the district only pays for the bare essentials of our school and staff.

Who Pays for...	LAUSD	Clover Ave Booster
Teacher & Core Staff Salaries	X	
Electricity, Water, Building Maintenance	X	
Teacher's Aides Salaries		YOU!
Computer Lab & Weekly Computer Classes		YOU!
Weekly Physical Education		YOU!
Weekly Music/Art Classes		YOU!
Field Trips		YOU!
Classroom Supplies		YOU!

We are all in this together and we ask EVERYONE to donate what they can.

Clover Students are worth it!

When you donate at least \$50, your student will receive a Lucky the Owl squishy for academic luck and stress-relief fun!

Want to skip the paperwork?

Donate by credit card at cloveravebooster.org

You can also set up recurring monthly payments!

To send checks, please fill out the information below and return with your check to the office. Make checks out to Clover Avenue Booster Club. If you wish to divide your donation into monthly payments, please include 10 post-dated checks to be deposited each month.

Child's name: _____ Grade in 2020: _____

Donor Name(s): _____ Donation Amount: ☐ \$750 or ☐ \$ _____

Address: _____

Email: _____ Phone: _____

Does your company match donations: ☐ Yes - **Not Sure? Ask your employer!** If your company matches donations, please provide any necessary paperwork and place in an envelope marked "PFE" and turn into the office or send in your child's folder. If you are turning in the paperwork separately from this form, make sure to reference which room and child the donation is for.

All donations are Tax Deductible! Clover Avenue Booster Club is a 501(c)3 non-profit organization.
